Since you are either pregnant or have recently had a baby, we want to know how you feel. Please place a CHECK MARK (V) on the blank by the answer that comes closest to how you have felt IN THE PAST 7 DAYS-not just how you feel today. Complete all 10 items and find your score by adding each number that appears in parentheses (#) by your checked answer. This is a screening test; not a medical diagnosis. If something doesn't seem right, call your health care provider regardless of your score.
